The bow of the big ship is cutting through the water.  
The bee is attracted to the bright red flowers.  
Someone left a bat, ball, and glove on the deck.  
You can buy a bag for your mother at this stand.  
The two pies are ready to bake in the oven.  
The truck bed is full of weeds.  
There are many people in the back of the white boat.  
The green book is lying on the table.  
There is a green bean in the front of the basket of beans.  
What do you think the bead on this necklace looks like?  
There are many big boulders on the beach at Bandon.  
The little car is getting its weekly bath.  
The black work boot looks like it is very heavy.  
The bright white ball doesn't look like it has been used often.  
The black bike is secured to the rack with a lock.  
The little brass bell has two dogs on the handle.  
These logs have thick rough bark.  
The big white barn is at the edge of the field.  
The children are playing next to the big stuffed polar bear.  
The black belt has a gold buckle.

Don't forget to go to your oboe lesson at seven o'clock.  
They are alone at the table in the cafe.  
The mailbox is overgrown with weeds.  
Plumbers can pick an elbow from one of these bins.  
The glasses are upside down in the cupboard.  
The streets of the ancient city were full of rubble.  
This pin is in the shape of a rabbit.  
The flowers are tied with a bow made from a ribbon.  
When it rains, rubber boots will keep your feet dry.  
Read the label if you want to know what is inside the package.  
The bill of a spoonbill is shaped like a flat spoon.  
A keyboard can be used to tell the computer what to do.  
This car has a hubcap with the letter "V" on it.  
The mother is watching over the baby elephant.  
There are very few branches in this stand of bamboo.  
This cobweb has caught some dust but no bugs.  
The big black bird is standing on the power pole.  
If you have a sharp pebble in your shoe, it is hard to walk.  
How big was the biggest bubble that you have ever blown?  
The hairy baboon has a big black nose with no hair on it.

One of these tractors has a cab for the driver to sit in.  
The cube of wood has the letter "B" carved in it.  
The notebook has a tab, to make it easier to find the right section.  
People can walk in the tube to keep out of the rain.  
The yellow dab of paint came out of the tube.  
The spider has spun a thin web on the corner of the window.  
We can use the knob to turn this fan all the way to super high!  
This old wheel has many spokes connected to a hub in the middle.  
When my bike needs a lube, I reach for the oil can.  
The white robe with the pink roses was at the bottom of the bed.  
Because of the rain, it was a drab and dreary day.  
There is a soft cotton tip on the swab.  
The doll has been put to bed in her crib.  
Do you know which continent is showing on this globe?  
The bushy shrub has bright purple flowers.  
I put a big glob of mayonnaise on the bread.  
I use a brush to scrub the frying pan.  
Just a stub was left when the plant was trimmed.  
Babies wear a bib to keep food off of their clothes.  
The garlic bulb has a white and purple skin.

On a windy day the trees get blown around.  
There are big drops of dew on the mesh screen.  
There is a large sand dune straight ahead.  
The silver dime is on top of the other coins.  
When we wash this last dish, we will be done.  
This cute dog is called a pug.  
There is a very large white door on this building.  
The old black dog is sitting on the deck.  
The white duck has an orange beak.  
He is using a tractor to dig a hole inside the building.  
We startled the deer in the brush.  
The gray dome of the building is smooth and round.  
The doll is wearing a pretty dress, and a ribbon in her hair.  
This dough mixer is used to mix the dough for bagels.  
We drove up to the farm on the dirt road.  
The sun is setting, so it will be dark soon.  
A plumber can use these pieces to make a heating duct.  
She is working on the computer at her desk.  
Put the disk in the computer, if you want to play the games.  
The yellow dart has made a bullseye.

This rocky beach is completely hidden at high tide.  
Sometimes I drink soda out of a glass.  
They are painting the body of this old truck.  
There is a ladder attached to the side of the truck.  
The tractor has muddy tracks from working in the mud.  
The little dog has a big shadow.  
He is feeding bread to the ducks.  
They are loading baggage into the hold of the plane.  
Keep both feet on the pedals, when you pedal your bike.  
After the rain, there was a puddle in the mud.  
A bright red radish makes a tasty snack.  
Turn the page when you are reading.  
The police officers are riding motorcycles.  
Drive carefully when the roadway is foggy.  
The legs on the spider are long and thin.  
The calendar says that it is Friday the fifth.  
There are two candles on the birthday cake.  
We were under the path of the airplane when it took off.

The woodpecker has a bright red head.  
The fence is made of many pieces of wood.  
We hiked up the dry creek bed.  
The earring has a large bead on the end.  
The pigs are standing by the mud.  
I need to pull that overgrown weed out of my garden.  
I use a pad and pen to take notes.  
The green shed has white metal doors.  
These red berries may be poisonous.  
I like to sit under a tree and read a book.  
There is just one seed left in the apple's core.  
We watched him ride the donkey across the stream.  
The puffy white cloud is high in the blue sky.  
The loop is the tool that is used to view the slide.  
He is waiting patiently for a ride down the hill on his sled.  
The knife has a sharp blade.  
You can use colorful thread to braid a bracelet.  
The loaf of bread will taste good with the apples.  
The toadstools are growing on the dead stump.  
It took a long time to make this beaded design.

All of these geese have orange feet.  
Kick the soccer ball into the goal to score a point.  
The little goat has a wispy goatee.  
Which gown do you like best?  
This big package of gum should last for a while.  
The gull is standing at the edge of the cliff.  
Clover is growing in the gap in the dry earth.  
A first aid kit should have gauze and tape.  
One goose has spread its wings.  
He is going to give the gift to his girlfriend.  
The lifeguard sits in the tower to guard the beach.  
The gold ring has a red stone in it.  
We wrapped the gift and put it in a basket.  
The needle on the gauge is pointing to zero.  
The rushing water has cut a gorge through the rock.  
The green gong makes a ringing sound when it is hit.

The shaggy ram has long thick wool.  
This stuffed tiger never growls.  
The grapefruit has a spoonful of sugar on top.  
A small magnet holds the kite on the refrigerator door.  
The eggs are in the carton because the eggshell is fragile.  
There are many kinds of eggplant at the market.  
I am going to sign up for the "Art from Gourds" class in August.  
Some of the pieces of the jigsaw puzzle are put together.  
Which of these apples is the biggest?  
The bike is leaning against the wall.  
A dragonfly doesn't look much like a dragon to me.  
The gravel and flagstone path is overgrown with plants.  
A single seagull is standing in the dirt.

We met the kids on a field trip to Bath, England.  
We watched the bunny eat the grass.  
There are many tire tracks in the sand.  
Put your tree limbs in this brush pile.  
We call that thing on its head a bridle.  
There is a big shed for hay at the hay farm.  
Drive carefully when you see the sign for pedestrians.  
This field is being watered.  
The shoes are made by the shoemaker.  
They make castings in this building.  
Long ago the English would say, "Thy castle is huge."  
The cathedral is at the edge of the old town.  
They are all dressed the same.  
There are green and red stripes on this apple.  
Shakespeare often used the word *thou* in his writings.  
*Thee* and *thou* are Old English words we don't use very often.  
Is it fun to swing on that swing?  
The ship has three masts.  
Be careful, these stairs are steep.  
When they're done the fire will be out.

The girl's brother is smiling.  
The flamingo's beak is under a feather.  
The cows are bathing on a hot summer day.  
The heather blossoms are small.  
Neither of these apples has a bite in it.  
The school bus comes in any kind of weather.  
Pelicans gather on the rock after they have eaten.  
We washed the clothing and put it in the basket.  
You may have either juice or an orange.  
When a flower has finished blooming it will wither.  
The conga player is setting up a rhythm.  
I would rather have honey than sugar in my tea.  
The snails slither along the leaves.  
The sting ray can move smoothly through the water.  
The top of the trunk is smoother than the bottom.  
The two birds are looking for food together.  
The tombstone has weathered over the years.  
The unseaworthy boat was parked in a corner.
